

OPPORTUNITY

Assistant Professor (Tenure Track) | Department of Surgery

The Division of Neurosurgery, Department of Surgery at The University of British Columbia (UBC) invites applications for a full-time faculty position at the rank of Assistant Professor (tenure track).

The UBC Department of Surgery has training programs at the undergraduate, graduate and postgraduate levels, and pursues research to make innovative advancements in knowledge and practice to improve health. The Department consists of more than 400 physicians and scientists as well as over 70 administrative, research, and technical staff. Specialty training programs are offered in Cardiac Surgery, Colorectal Surgery, General Surgery, Neurosurgery, Otolaryngology, Pediatric Surgery, Plastic Surgery, Radiation Oncology, Surgical Oncology, Thoracic Surgery, and Vascular Surgery.

Reporting to the Head of the UBC Department of Surgery, the successful candidate will have training in clinical epidemiology, a history of effective knowledge synthesis and translation, and collaborative team leadership in health service research. The appointee will be expected to participate in the teaching activities of the Department, as well as provide mentorship and training to undergraduate, graduate, and postgraduate learners.

The successful candidate will hold an MD and PhD and should have certification from the Royal College of Physicians and Surgeons of Canada in Pediatric Neurosurgery. The successful candidate will have demonstrated evidence of ability in teaching and will be expected to participate in the undergraduate, graduate, and postgraduate teaching activities of the unit. The incumbent will also show demonstrated ability in scholarly activity and will be expected to provide service to the University and the broader academic and professional community.

Salary will be commensurate with qualifications and experience. A letter of application outlining the applicant's research and teaching interests, accompanied by a detailed curriculum vitae and the names of three references should be directed to:

[insert name]

Human Resources Manager, UBC Department of Surgery

Email: firstname.lastname@ubc.ca

Subject Line: Pediatric Neurosurgery Assistant Professor Position

Review of applications will begin on [DATE TBD – one month from start of posting] and continue until the position is filled. The anticipated start date for this position is July 1, 2020 or upon a date to be mutually agreed.

The **University of British Columbia** is a global centre for research and teaching, consistently ranked among the top 20 public universities in the world. Since 1915, UBC's entrepreneurial spirit has embraced innovation and challenged the status quo. UBC encourages its students, staff and faculty to challenge convention, lead discovery and explore new ways of learning. At UBC, bold thinking is given a place to develop into ideas that can change the world.

Our Vision: To Transform Health for Everyone.

Ranked among the world's top medical schools with the fifth-largest MD enrollment in North America, the **UBC Faculty of Medicine** is a leader in both the science and the practice of medicine. Across British Columbia, more than 11,000 faculty and staff are training the next generation of doctors and health care professionals, making remarkable discoveries, and helping to create the pathways to better health for our communities at home and around the world.

The Faculty - comprised of approximately 2,200 administrative support, technical/research and management and professional staff, as well approximately 650 full-time academic and over 9,000 clinical faculty members - is composed of 19 academic basic science and/or clinical departments, three schools, and 24 research centres and institutes. Together with its University and Health Authority partners, the Faculty delivers innovative programs and conducts research in the areas of health and life sciences. Faculty, staff and trainees are located at university campuses, clinical academic campuses in hospital settings and other regionally based centres across the province.

Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Metis, Inuit, or Indigenous person. All qualified candidates are encouraged to apply; however Canadians and permanent residents of Canada will be given priority.
