The Department of Medicine at the University of British Columbia (UBC), is seeking internal applications for the position of Associate Program Director, Curriculum for our Postgraduate Education Program from current UBC Clinical, Partner, and Tenure Stream Faculty Members. This position is located at the Diamond Health Care Centre at Vancouver Hospital in Vancouver, British Columbia.

This 0.3 FTE position reports to the Program Director, Postgraduate Medical Education and the Associate Head Education, UBC Department of Medicine.

The incumbent will work extensively with residents, fellows, and staff of the UBC Faculty of Medicine in delivery of all academic aspects of the program, including Academic Half Day, PGY1 Boot Camp, and other events and initiatives as required. He/she is expected to keep abreast of the current Internal Medicine Competencies and Standards of Accreditation of the Royal College of Physicians and Surgeons of Canada, and will ensure ongoing accreditation of the Program by the College. The successful candidate will have experience (or expertise) in medical education. The candidate will be involved in curriculum development, implementation, and review, and will be expected to Chair and participate on a number of postgraduate education-related committees. The candidate will meet with residents regularly to review evaluations and assist with career development.

The successful applicant will have extensive knowledge of the postgraduate medical education at UBC, within Canada and abroad.

Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Metis, Inuit, or Indigenous person. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

The appointment may commence as early as November 15, 2020 or upon a date to be mutually agreed. Review of application will begin on November 9, 2020 and will continue until the position is filled. Please submit a letter of application, a curriculum vitae, a teaching dossier and the names of two references to:

Dr. Mark Roberts
Program Director
Postgraduate Education
