

**THE UNIVERSITY OF BRITISH COLUMBIA
DEPARTMENT OF MEDICINE
CBME Lead, Vancouver Island
POSTGRADUATE EDUCATION PROGRAM**

The Department of Medicine at the University of British Columbia (UBC), is seeking internal applications for the position of Competence Based Medical Education (CBME) Lead for our Postgraduate Education Program, Vancouver Island from current UBC Clinical, Partner, and Tenure Stream Faculty Members.

This position is located in Victoria, British Columbia. Successful candidates must currently hold a UBC tenure stream or clinical faculty appointment or be eligible for appointment to a clinical rank.

This 0.2 FTE position reports to the Program Director, Postgraduate Medical Education and the Associate Head Education, UBC Department of Medicine.

The incumbent will work extensively with residents, faculty, staff of the UBC Faculty of Medicine, and the Competence Committee Chair in delivery and continued implementation of Competence By Design in the residency training program. They are expected to keep abreast of the current Internal Medicine Competencies and Standards of Accreditation of the Royal College of Physicians and Surgeons of Canada, and will ensure ongoing accreditation of the Program by the College. The successful candidate will have experience (or expertise) in medical education. The candidate will be involved in all aspects of CBME within the program, including resident evaluation, promotion, coaching, and curriculum mapping. They will be expected to participate on a number of postgraduate education-related committees.

The successful applicant will have extensive knowledge of the postgraduate medical education program at UBC, within Canada and abroad.

Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Metis, Inuit, or Indigenous person. All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority.

The appointment is a three (3) year term and may commence as early as April 1, 2022 or upon a date to be mutually agreed.

Please submit a letter of application, a curriculum vitae, a teaching dossier and the names of two references no later than March 28, 2022 to:

Dr. Mark Roberts
