

UBC Department of Medicine
Clinical Faculty Award for Excellence in Quality Improvement and Patient Safety

The **UBC DOM Clinical Faculty Award for Excellence in Quality Improvement and Patient Safety** is intended to recognize clinical faculty members who have demonstrated exceptional achievements in enhancing quality improvement and patient safety. This award aims to highlight the importance of prioritizing quality improvement and patient safety in clinical practice and medical education and to recognize individuals who have made significant contributions in this area.

The award consists of a plaque and recognition at the annual DOM awards reception. The recipient's name will also be published on the departmental website.

ELIGIBILITY

- This award is open to all Clinical Faculty members with a current appointment in the Department of Medicine.

JUDGING CRITERIA (to be addressed in the nomination letter)

- The nominee has demonstrated excellence and commitment to transforming and improving patient safety through leadership, culture change, quality improvement, patient partnership, and innovation.

NOMINATION PROCESS

- Any UBC Department of Medicine faculty member can nominate eligible faculty members for this award. Please submit your completed nomination form online, including a signed letter of nomination, by the due date.
